

# Alpha Omega Epsilon

Iota Chapter Fall 2018 Newsletter

# Recruitment

Study days, harry potter trivia day, info night

# Off Campus involvement

Iota chapter volunteered for the Bethany Anne Galdes Foundation - a foundation dedicated to providing hope and alternative treatments to overcome the life threatening disease of depression.

# Fundraising

This year we held a painting fundraiser where the sisters were able to come together at The Lush Brush. The sisters were able to enjoy and step by step instruction to painting their own masterpiece.

“My favorite event of the entire semester”  
-Alex L.

“Fun catching up and painting with everyone!” -Marissa M.

# Initiation

This year we initiated 6 new candidates who all went on to complete the candidate process. These candidates took all the extensive quizzes which tested their knowledge of the sorority. Initiation was shortly followed by dinner at BD's Mongolian BBQ

# Day Away!

Day away this year was themed Pirates of the Caribbean. The night was filled with food, fun, and puzzles for all the sisters to enjoy. Above that, this was the time that the sisters all got closer together. Big littles were also revealed by the end of the night.

# Big Little Reveal

The Big-Little reveal was one of the biggest highlights of day away. The candidates received their bigs who would help guide them through the rest of the semester and would give some of the greatest advice.

# Rock painting

Our rock painting fell close to our founders day. This year we painted the rock on our campus in blue, silver, and white to represent the colors of the sorority. Although the rain and light snow made it difficult to paint, everyone enjoyed the time they spent there.

# Initiation

The candidates were finally able to be initiated into active sisters who would uphold the ideals and Objectives of what it would take to be an Alpha Omega Epsilon sister. Initial was followed by a dinner at on the border.

# Graduates

Congratulations to our former president Morgan H and Kelsey L. who graduated in the fall 2019 semester. We are all so proud of her achievements and wish her luck in all her future endeavors.
