WINTER 2017

WOMEN WITH A FOCUS

CONGRATS TO OUR GRADUATES: KIERSTIN, JESSICA, STEPHANIE, LAMYRA, ALEXANDRA, AND SHELBI!

We are proud to have five of our sisters move into a new chapter in their lives. They have supported and guided the younger active sisters by being great role models for us to follow. We wish you the best of luck and thank you for paving the way!!

A WORD FROM OUR ACTIVE SISTERS

FATIMA

As always, I am so thankful for the love and support of each sister towards each other and the chapter. My time as Membership Educator was invaluable and I couldn't have asked for a better candidate. I'm excited to see how Sydney grows into her role as a new active sister and what leadership roles she takes on. I am also looking forward to my own professional growth while serving as Chapter President during the summer and fall. One more year left until I graduate!

NINA

It's been an interesting semester, I have been given the opportunity to be secretary. I've always wanted to be secretary since I always enjoyed buying/sending out stationary. I really enjoyed this semester and learned so many new things about myself. I want to better myself so that I can be a better sister.

MORGAN

Last semester was my first time being on the executive board and it gave me a whole new appreciation for how much time people put in to keep improving our organization. I'm really excited to be VP these upcoming semesters and learn about the different aspects of my role and keep growing our sisters!

STEFANA

Winter semester I was Co-op active. This was my first semester I worked so many hours. I learned to manage school and work all at once. It was a challenge but I made it out alive. I am so glad I had my sisters to get me through the rough semester.

SYDNEY

I really enjoyed getting to know everyone at Day Away. It was great to meet everyone and it was a ton of fun. The rock painting was another highlight because it was the first activity after initiation and I really could feel like a family with everyone.
